

Break For The Border

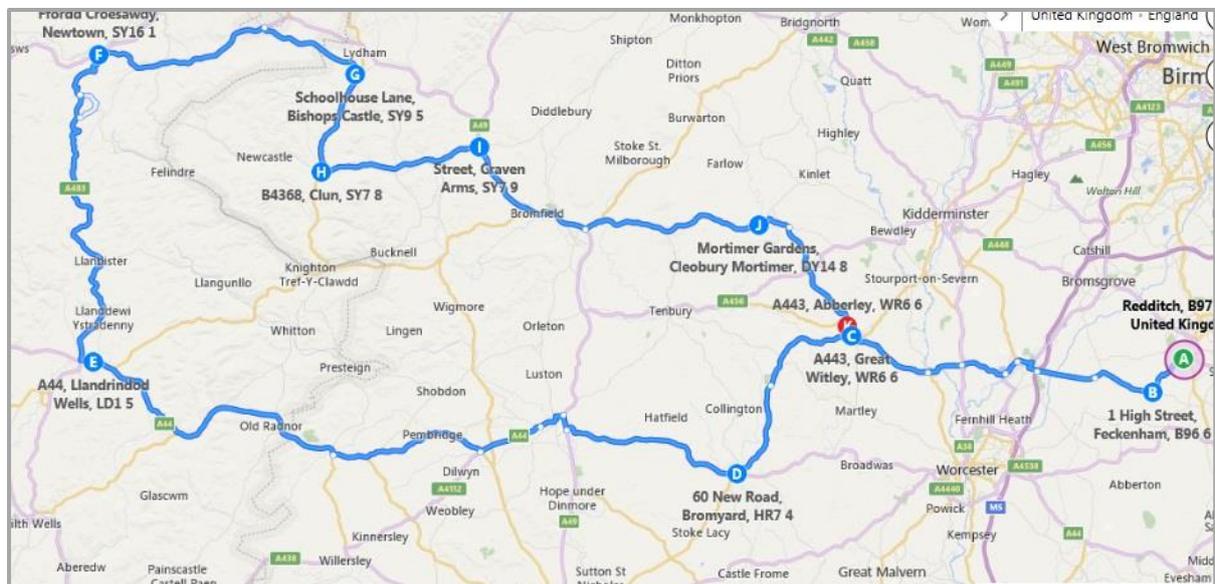

Thank you for booking onto the Break for The Border Tour. This sheet provides some useful information on the day.

Your Road Trip

During this full day experience, you will drive 5 different classic cars over a 180-mile route through Worcestershire, Shropshire and the Welsh Borders. The route is split into 5 stages to enable you to swap cars during the day. We stop for a break at Café Express near Llandridnod Wells, where you will be able to purchase food and drinks. We allocate cars at the start of each stage by drawing keys from a hubcap.

We provide an easy-to-follow driving route, (a satnav and a 'Postcode cheat' sheet for each stop can be used if requested). If you are travelling with a passenger, you will be with them throughout the day. There are only two people in each car. If you are travelling alone, you will share the car with another driver for the duration of the day (should you wish to drive alone there will be a £45 charge). Your road trip will be managed by our Events Team, who will accompany you during the day in a support vehicle with spare car.
