

Malvern Loop Half Day Road Trip

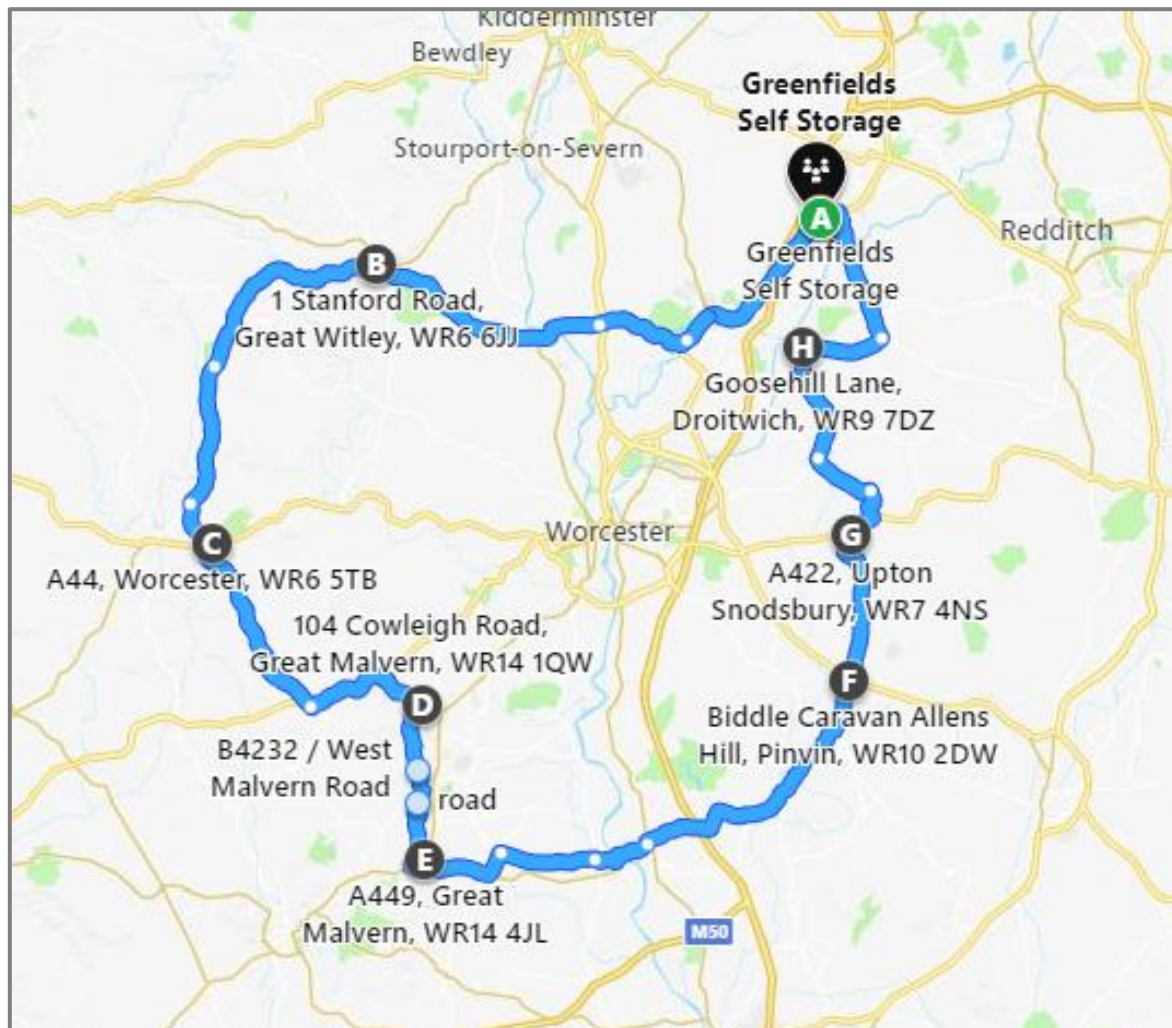

Thank you for booking onto the Malvern Loop Road Trip. This sheet provides some useful information on the day.

Your Road Trip

During this half day experience, you will drive 3 different classic cars over a 60-mile route through the Malvern Hills. The route is split into 3 stages to enable you to swap cars during the day. We stop for a 45-minute break at Malvern basecamp. We allocate cars at the start of each stage by drawing keys from a hubcap.

We provide an easy-to-follow driving route. If you are travelling with a passenger, you will be with them throughout the day. There are only two people in each car. If you are travelling alone, you will share the car with another driver for the duration of the day (should you prefer to drive alone there will be a £45 charge). Your road trip will be managed by our Events Team, who will accompany you during the day in a support vehicle with spare car.

The Route

Location

Greenfields Self Storage, Upton Warren, Bromsgrove, B61 7EZ. Gate Code: 01966
